Nicole and Joe –

Hope you both had good, long weekends! Not sure about what happened where you are or were, but about ½ of the weekend around here it rained!.

During our meeting last Thursday, we talked about whether or not Special Notice Letters would be issued; have you reached any kind of decision on that point? If the decision is made to issue the SNLs, and if it is at all possible, we would still like to see some recognition in the SNLs that EPA has been advised that many of the recipients have settled with the VLSG. Even with this step, we are bound to have some settlors calling as soon as SNLs hit. In addition, if you decide to issue the SNLs, I am guessing that you will want to include something about contacting the VLSG if a recipient has not settled with the VLSG. Assuming that is the case, you can use either my or Jodi's contact information (she is my Paralegal) for that part of the SNL.

I have started work on assembling the other volumetric materials that you requested.

Probably will not have that completed until next week as Jodi is off this week, and only she knows where some of the information is kept!

We can conference about any of this you deem necessary.

Thank you!

Steve
